Message

Dear Esteemed Delegates,

It is with great pride and immense pleasure that we welcome you to Medpreneur Summit – 2025, Rajasthan's first awareness event on Medical Entrepreneurship, organized by UPCHAR – the largest organization of private healthcare establishments in the state.

In today's rapidly evolving healthcare landscape, every clinician dreams of owning and managing their own hospital or healthcare centre. However, navigating the challenges of regulations, infrastructure, compliance, and coordination can be overwhelming. Medpreneur Summit – 2025 is a bold initiative to transform that dream into reality.

Join us on the 4th and 5th of October, 2025 in Jaipur for a dynamic two-day journey packed with vital insights from seasoned experts across the domains of infrastructure, healthcare law, quality certification, and operations. This summit has been carefully curated to meet the practical, ground-level needs of clinicians running clinics, nursing homes, small hospitals, tertiary care centres, and even medical colleges.

The theme of this year's summit – "Eliminating Vacillation and Bridging the Subconscious Gap to Empower Medical Entrepreneurs" – reflects our commitment to nurturing your entrepreneurial aspirations while equipping you with actionable knowledge and tools for better management and expansion.

Let this be your first confident step toward becoming a successful healthcare entrepreneur.

We look forward to welcoming you at Jaipur – the city of visionaries and ventures!

Warm regards,

Team Medpreneur Summit – 2025
